MANAGEMENT'S STATEMENT OF RESPONSIBILITY

The accompanying financial information of Lheidli T'enneh Band and all the information in this annual report for the year ended March 31, 2014 are the responsibility of management and have been approved by the Chief and Council on behalf of the Band.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since it includes certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Lheidli T'enneh Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Nation's assets are appropriately accounted for and adequately safeguarded.

The Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Chief and Council review the Nation's financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditors report. (The Chief and Council take this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The financial statements have been audited by RHB Schmitz de Grace, Chartered Accountants, in accordance with Canadian generally accepted auditing standards and their audit report outlines the scope of their examination and their opinion on the financial information.

INDEPENDENT AUDITORS' REPORT

To the Members of Lheidli T'enneh Band

We have audited the accompanying financial statements of Lheidli T'enneh Band, which comprise the statement of financial position as at March 31, 2014 and the statements of financial activities and accumulated surplus, change in net financial assets and of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT, continued

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Lheidli T'enneh Band as at March 31, 2014, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matter

The financial statements of Lheidli T'enneh Band for the year ended March 31, 2013 were audited by another auditor who expressed a qualified opinion on those statements July 29, 2013.

The qualified opinion related to the valuation of the investment in FNLP (PTP). The investment was not susceptible to satisfactory audit procedures as the December 31, 2013 financial statements had not yet been released. Accordingly, the verification related to this investment was limited to the amounts recorded in the records of the Nation. They were not able to determine whether any adjustments might be necessary.

LHEIDLI T'ENNEH BAND

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2014

1. DESCRIPTION OF OPERATIONS

Lheidli T'enneh Band is a self-governed First Nations Band and operates on the Lheidli T'enneh First Nation reserve in Prince George, BC. Its head office is located in Prince George, BC with off-reserve aboriginal communities are also located throughout the North East and Southern areas of Prince George.

2. SIGNIFICANT ACCOUNTING POLICIES

These summary financial statements have been prepared in accordance with Canadian generally accepted accounting principles for government entities, as defined in the CICA Public Sector Accounting and Auditing Handbook, which encompasses the following principles:

Fund Accounting

Lheidli T'enneh Band ("the Band") uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual, or voluntary actions. The various funds have been amalgamated for the purposes of presentation in the consolidated Summary Financial Statements. Detail of the operations of each fund are set out in the supplementary schedules. The Band maintains the following funds:

- The Operating Fund which reports the general activities of the Bands administration.
- The Capital Fund which reports the capital assets of the First Nation not included in the other funds, together with their related activities.
- The Trust Fund which reports on the trust funds of the Band and held by third parties.
- The CMHC Housing Fund which reports on activities within the CMHC Housing Program.
- The Enterprise Fund which reports the First Nation's investment in self-supporting commercial entities.

Reporting Entity Principles of Financial Reporting

These financial statements report only on the activities of the Lheidli T'enneh Band.

Lheidli T'enneh Band's reporting entity includes the Band and all related entities which are accountable to the Band and are either owned or controlled by the Band.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which lend themselves to consolidation:

1. Operations Fund
2. Capital Fund
3. Trust Fund
4. CMHC Housing Fund
5. Enterprise Fund

LHEIDLI T'ENNEH BAND

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2014

2. SIGNIFICANT ACCOUNTING POLICIES, continued

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Investments in Government Business Entities

Incorporated business entities, which are wholly-owned by Lheidli T'enneh Band, are accounted for in the financial statements using the modified equity method and include Lheit Lit'en Development Corp. and Tano T'enneh Limited Partnership.

Government partnerships, in which Lheidli T'enneh Band has an ownership interest, are accounted for in the financial statements using the modified equity method. This includes Tano T'enneh Limited Partnership.

Tangible Capital Assets

Tangible capital assets are recorded except for reserve lands, natural resources and cultural resources which are not recorded.

Amortization on capital projects in progress will commence when the projects are complete and the assets are considered available for use.

Amortization is provided on the straight-line basis over the estimated useful life of the asset as follows:

Automotive Equipment	5 years	Straight-line
Boats and fisheries equipment	10 years	Straight-line
Buildings	30 years	Straight-line
Computer equipment	3 years	Straight-line

2. SIGNIFICANT ACCOUNTING POLICIES, continued

Financial Instruments

Measurement of financial instruments

The Nation initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Band subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value of these financial instruments are recognized in net income.

Financial assets measured at amortized cost include, cash (restricted and unrestricted), accounts receivable, and trust funds.

The entity has designated investments in Government Business Entities to be measured at fair value.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, reserves and long-term debt.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction costs

The Band's transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in net income in the period occurred. The carrying amount of the financial instruments that will not be subsequently measured at fair value is adjusted for transaction costs directly attributable to the origination, issuance or assumption of these instruments.

Inventory

Inventory is recorded at the lower of cost and net realizable value. Cost is measured using the average weighted cost method.

LHEIDLI T'ENNEH BAND
NOTES TO THE FINANCIAL STATEMENTS
For the year ended March 31, 2014

2. SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition

Revenue and expenses are recorded using the accrual basis of accounting. Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. Gains are recognized when realized. Items not practically measurable until cash is received are accounted for at that time.

Investments

Investments with significant influence are accounted for on a modified equity basis. Portfolio investments are accounted for on a cost basis.

Measurement Uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from management's best estimates as additional information becomes available in the future.

Recoveries of Funding and Agency Reimbursements

Funding received from federal government sources in the form of conditional transfer payments are subject to recovery by the Crown. The Crown may also reimburse expenses upon determining adherence to the terms and conditions of payment for a specific purpose. Recoveries and reimbursements are accounted for in the period they are recovered or received.

15. TREATY LOAN

Treaty loan is an Aboriginal Affairs and Northern Development Canada, promissory note, representing advances for negotiations with the British Columbia Treaty Commission. Repayment provisions for these loans are outlined in Sections 13.0 and 14.0 of the Negotiation Support Agreement. It is a non-interest bearing loan to pay out over a 10-year period after the signing of Final Agreement between Lheidli T'enneh Band, the Government of Canada and the Government of British Columbia.

16. REPLACEMENT RESERVES

Under the terms of an agreement with Canada Mortgage and Housing Corporation (CMHC), the Band is required to make annual deposits of \$22,926 to a replacement reserve bank account to cover the cost of replacing certain capital items in the rental housing projects financed by CMHC. Similarly, an operating reserve must be established to fund the ongoing operating costs of the rental housing projects financed by CMHC. As at March 31, 2014, the replacement reserve was over funded.

19. B.C. TREATY COMMISSION FUND

In August 1994, the member of the Band entered into a loan agreement to finance treaty negotiations with the Government of Canada and the Province of British Columbia. The specific terms of repayment are contained in Section 4.6.1 of the agreement, but the understanding is that upon reaching a final settlement, the entire debt will be repaid from the settlement.

20. CANADA MORTGAGE AND HOUSING CORPORATION SUBSIDY

The Band has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 95 (previously 56.1) of the National Housing Act to reduce mortgage interest expense to as low as 2.0% per annum to enable the projects to provide housing to low income individuals. The amount of assistance received in the year was \$68,090 (2013 - \$80,636).

21. FINANCIAL INSTRUMENT RISKS

Risks and concentrations

The Nation is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a measure of the company's risk exposure as at March 31, 2014.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Band is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and long-term debt.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Band's main credit risks relate to its accounts receivable. The Band provides credit to its client in the normal course of operations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

LHEIDLI T'ENNEH BAND

21. FINANCIAL INSTRUMENT RISKS, continued

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Nation has no significant transactions completed in foreign currencies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The Band is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed-interest instruments subject the Band to a fair value risk, since fair value fluctuates inversely to changes in market interest rates. Floating rate instruments subject the Band to related cash flow risk.

Other price risk

Other price risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether these changes are caused by factors specific to the financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Band is not exposed to significant other price risk.

REVIEW ENGAGEMENT REPORT
FOR THE SCHEDULE OF SALARIES, ALLOWANCES, TRAVEL EXPENSES
AND OTHER REMUNERATION
ELECTED OR APPOINTED SENIOR OFFICIALS

To the Members of Lheidli T'enneh Band:

At the request of Chief and Council of Lheidli T'enneh Band, we have reviewed the Schedules of Salaries, Allowances, Travel Expenses and Other Remuneration Elected or Appointed Senior Officials of Lheidli T'enneh Band as prepared by management for the year ended March 31, 2014, presented pursuant to the funding agreement between Aboriginal Affairs and Northern Development Canada and Lheidli T'enneh Band. Our review as made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by Lheidli T'enneh Band.

A review does not constitute an audit and, consequently, we do not express an opinion on the Schedules of Salaries, Allowances, Travel Expenses and Other Remuneration Elected or Appointed Senior Officials.

Based on our review, nothing has come to our attention that causes us to believe that the Schedules of Salaries, Allowances, Travel Expenses and Other Remuneration Elected or Appointed Senior Officials is not, in all material respects, in accordance with Aboriginal Affairs and Northern Development Canada Year-end Reporting Handbook for First Nations Tribal Councils, and First Nation Political Organizations.

This report is to be used solely to satisfy Aboriginal Affairs and Northern Development Canada funding requirements and should not be referred to or used for any other purpose.
