## MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of Lheidli T'enneh Band are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

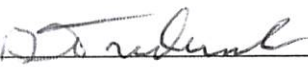

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and are ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditors' report.

The external auditors, Bursery Buryn, Chartered Accountants, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Lheidli T'enneh Band and meet when required.

On behalf of Lheidli T'enneh Band:

## **INDEPENDENT AUDITORS' REPORT**

To the Members of Lheidli T'enneh Band:

We have audited the accompanying consolidated financial statements of Lheidli T'enneh Band, which comprise the consolidated statement of financial position as at March 31, 2015 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

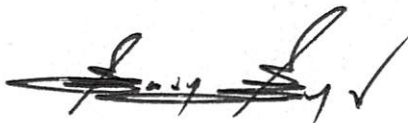

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risk of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of Lheidli T'enneh Band as at March 31, 2015 and the results of its operations, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

---

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

Reporting Entity and Principles of Financial Reporting

The Lheidli T'enneh Band reporting entity includes the Lheidli T'enneh Band government and all related entities which are either owned or controlled by the Lheidli T'enneh Band.

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprises, which are included in these financial statements on a modified equity basis. Inter-entity balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Lheidli T'enneh Band's investment in the government business enterprises and their share of the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprises that are different from those of Lheidli T'enneh Band.

The consolidated financial statements include the following controlled entities:

- Lheidli T'enneh Band CMHC Social Housing Program
- Lheidli T'enneh First Nation Negotiation Support Agreement

Government business enterprises, which are wholly-owned by Lheidli T'enneh Band and which are not dependent on the Band for their continuing operations, included in the consolidated financial statements using the modified equity method are as follows:

- Lheit Lit'en Development Corporation
- Tano T'enneh General Partner Corporation

Government business partnerships, which Lheidli T'enneh Band holds a limited partnership interest and which are not dependent on the Nation for their continuing operations, included in the consolidated financial statements using the modified equity method are as follows:

- Tano T'enneh Limited Partnership (99.99% interest)
- FN (PTP) Group Limited Partnership (0.06% interest)

---

Cash and Restricted Cash

Cash and cash equivalents include cash on hand, cash on deposit net of cheques issued and outstanding at the reporting date, and short-term deposits with maturity dates of less than 90 days.

Inventory

Inventory consists of tobacco products available for sale and is valued at the lower of cost and net realizable value using the average cost method.

Tangible Capital Assets and Amortization

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Transfers of tangible capital assets from related parties are recorded at carrying value.

Tangible capital assets are amortized using the straight-line method over the estimated useful life of the asset as follows:

Automotive equipment	5 years
Boats and fisheries equipment	10 years
Buildings	30 years
Computer equipment	3 years
Fuel Tanks	20 years
Furniture and office equipment	8 years
Heavy duty equipment	10 years
Housing	30 years
Infrastructure	10-50 years
Land improvements	50 years
Signage	25 years
Website	10 years

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued**

---

Tangible Capital Assets and Amortization, continued

In the year of acquisition, 50% of the annual amortization is expensed. Assets under construction are not amortized until the asset is available to be put into service.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Amortization - Social Housing

Social Housing assets acquired under CMHC sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt, as required for CMHC reporting purposes.

Revenue and Expenditure

Revenue and expenditure are recorded using the accrual basis of accounting. Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. Gains are recognized when realized. Items not practically measurable until cash is received are accounted for at that time.

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability and recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Funding Recoveries and Reimbursements

Funding received from federal government sources in the form of conditional transfer payments are subject to recovery, by the Crown, of unexpended balances or unallowable expenses. The Crown may also reimburse over expenditures upon determining adherence to the terms and conditions of payment for a specified purpose. Recoveries and reimbursements are accounted for when they are paid or payable or received or receivable.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the reporting period. Significant areas requiring the use of administration estimates relate to the impairment of assets, rates for amortization, collectability of accounts receivable, and valuation of inventory. Actual results could differ from these estimates.

Liability for Contaminated Sites

During the year the Band adopted new accounting standard PS 3260 - Liability for Contaminated Sites, effective for years beginning on or after April 1, 2014. The standard requires the Band to identify contaminated sites which meet the requirements of the standard, specifically those sites where:

- i. An environmental standard exists
- ii. Contamination exceeds the environmental standards
- iii. The Band is directly responsible or accepts responsibility
- iv. It is expected that future economic benefits will be given up and
- v. A reasonable estimate of the amount of those benefits can be made

The Band has elected to apply this standard prospectively. As at the date of these financial statements no contaminated sites have been identified that meet the criteria outline in the standard.

**2. CASH**

---

Lheidli T'enneh Band has a demand revolving credit facility agreement with the Royal Bank of Canada for \$300,000 bearing interest at prime plus 1.5% per annum. This facility revolves in increments of \$25,000 and is secured by a general security agreement with a fixed charge over tangible capital assets. At March 31, 2015 the full \$300,000 was available.

**11. TREATY LOAN**

Treaty loan is an Aboriginal Affairs and Northern Development Canada promissory note representing advances for negotiations with the British Columbia Treaty Commission. Repayment provisions for these loans are outlined in Sections 13.0 and 14.0 of the Negotiation Support Agreement. The loan is a non-interest bearing and will be repayable over a 10 year period after the signing of the Final Agreement between Lheidli T'enneh Band, the Government of Canada and the Government of British Columbia.

**14. CONTINGENCIES**

---

Lheidli T'enneh Band has entered into contribution agreements with various government agencies. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

The Band may have future silviculture commitments on government business enterprises owned forest licenses if future costs exceed current estimates. The amount of the liability, if any, is not determinable at this time.

In addition, in the normal course of its operations, Lheidli T'enneh Band becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the financial statements.

**15. RECONCILIATION OF AANDC FUNDING AGREEMENT REVENUE**

**17. RISK MANAGEMENT**

The Band has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The risks that arise from transacting financial instruments include the following:

Credit Risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Band has a history of dealing with its funding agencies and customer base and does not believe it is exposed to an unusual level of credit risk with respect to its accounts receivable.

The Band maintains its cash and deposits with a federally regulated Canadian financial institution and a Credit Union, and thus has not experienced any change in risk exposure.

Interest Rate Risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Band's long-term debt is at fixed rates of interest therefore, a change in market interest rates has no impact to cash flows required to service this debt. The Band maintains an operating line of credit subject to floating rates of interest, a change in the variable rate can impact cash flow to service the debt when such debt is outstanding. There has been no change to the risk exposure from 2014 and there is expected to be no substantive change in the next fiscal period.

The prior year's comparative figures were audited by another firm of Chartered Professional Accountants. The prior year figures have been reclassified for the current year presentation and are presented for comparative purposes only.

**19. SEGMENT DISCLOSURE**

---

Lheidli T'enneh Band provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function and department. For each segment separately reported, the segment revenue and expenditures represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounting Policies in Note 1. The segments and services provided are as follows:

Administration and Government Development - provides governance initiatives and training through the activities of Chief and Council and administration of other activities relating to program delivery, membership and finance;

Economic Development - manages the development of economic opportunities from the land and natural resources for the Band and its entities;

Education - provides elementary and secondary education instructional services and provides financial support to post secondary students;

Employment and Training - provides training and work opportunities for Band members to improve their job skills and participate effectively in the labour market;

Health Services - provides a variety of health care programs, services and support to Band members;

Housing - provides housing and services to Band members;

Public Works Operations and Maintenance - manages community and facilities operations and maintenance including capital projects, municipal services, water and waste water operations, roads, fire protection, and maintenance of community buildings;

Social and Community Services - provides programs and services for the social benefit and welfare of Band members;

Treaty Claims and Negotiations - manages the land claim and negotiation process with Canada and the Province of British Columbia;

Trust Funds - provides programs and services for the social, economic and capital needs of Band members;

Government Business Enterprises - economic development for benefit of Band members;

Tangible Capital Assets - provides for capital infrastructure development for Band members.

**REVIEW ENGAGEMENT REPORT**  
**FOR THE SCHEDULE OF REMUNERATION AND EXPENSES**  
**CHIEF AND COUNCILLORS**

To the Membership of Lheidli T'enneh Band:

We have reviewed the Schedule of Remuneration and Expenses Chief and Councillors of Lheidli T'enneh Band as prepared by management for the year ended March 31, 2015, presented pursuant to the funding agreement between Aboriginal Affairs and Northern Development Canada and Lheidli T'enneh Band. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by Lheidli T'enneh Band.

A review does not constitute an audit and, consequently, we do not express an audit opinion on the Schedule of Remuneration and Expenses Chief and Councillors.

Based on our review, nothing has come to our attention that causes us to believe that the Schedule of Remuneration and Expenses Chief and Councillors is not, in all material respects, in accordance with Aboriginal Affairs and Northern Development Canada's 2014 - 2015 Financial Reporting Requirements.

This report is to be used solely to satisfy Aboriginal Affairs and Northern Development Canada funding requirements and should not be referred to or used for any other purpose.
