Dear _____:

Re: Personal Information

Please accept this personal information, as required for completion of my application for funding.

In this paragraph describe how you are affiliated with Lheidli T'enneh. Are you a "status Indian?" (Include copy of your Lheidli T'enneh Status Card.) How long have you been a member? Were you transferred in? If so, where did you transfer from and why? Give a brief description of where you are from originally. Are you a biological member? Which family were you born into? Were you a Bill-C31 and/or Bill-C? If so, explain how you lost and regained your status. Explain your relationship to Lheidli T'enneh. Do you live on or off reserve? What kind of contact do you have with the band? And what activities have you taken part in?

In this paragraph explain what your educational goal(s) is/are. What are your current educational achievements? Illustrate any measures you have taken in order to achieve your current level of education. Do you have any additional training (certified)? What barriers have you faced and how did you overcome them? Tell what kind of motivation/determination it has taken to get where you are. Have you received any scholarships or bursaries before? If so, explain how and what you used them for.

In this paragraph you will tell the Education Department which school you have been accepted to and tell them why you want to attend this institution. Is there a reason why you cannot attend a local College or University? Ex. Some degrees are not offered in the Prince George institutions. Is this the closest institution to home that you could attend? Which other schools offer the intended course of study? Where are they located?

This paragraph should recap the above information as to your career goals and your long- and short-term goals. Include the personal efforts you are willing to go to achieve your educational goals. What can you contribute? If you cannot contribute anything, please indicate the reason. Explain why you chose the specific path. How does it apply to the advancement of your First Nations community?

This closing paragraph gives you the chance to add any final comments to the Education Committee.

Sincerely,

Education Funding Requirements

1. Must be a full-time student. Enrolled in 4 courses.
2. Provide transcripts/grades. To assist in determining sponsorship.
3. Dates to apply: We only accept students for one-year sponsorships at a time. If you are looking at attending in September, your application should be in to the Education Coordinator by May of that same year. I.e. September 2021, you need to apply by the deadline of **May 15, 2021**. At this time, all the funding will be dispersed, so **late applications cannot be reviewed until the following year**.
4. Lheidli T'enneh will not sponsor failed and/or repeated courses.
5. Minimum required attendance is 90%. If there are problems with attendance, please discuss with the Education Coordinator immediately. A minimum of a "C" is required in all classes. A regular report on your progress is expected. If minimum standards are not met, you will be put on probation for 30 days. After 30 days, if there is no change or improvement, you will no longer be funded.
6. As there are other students who are looking to further their education, Lheidli T'enneh will not continue to sponsor members who are not meeting minimum requirements. Funding is limited. Please consider everything prior to enrolling in school and be sure you are seriously committed to completing your studies.
7. Unfortunately, we cannot fund every person. Therefore, the Education Department will determine sponsorship via a process that involves screening all applications and interviewing each potential applicant if necessary.
8. If you have any questions about your application or funding requirements, please call the Education Coordinator at the Lheidli T'enneh Office at (250)963-8451 or e-mail vjoseph@lheidli.ca.
9. Please remember the deadline dates, and be sure to include all supporting documents. This will eliminate a delay in the decision-making process.

Please complete this application in full. Missing information or information that is not verified may cause delays in the application process.
