## **MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

To the Members of Lheidli T'enneh Band:

The accompanying consolidated financial statements of Lheidli T'enneh Band are the responsibility of management and have been approved by Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Chief and Council are responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Chief and Council is also responsible for recommending the appointment of the Band's external auditors.

Brent Burse & Company Inc. is appointed by Chief and Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically with both the Council and management to discuss their audit findings.

On behalf of Lheidli T'enneh Band:

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of Lheidli T'enneh Band:

### **Opinion**

We have audited the consolidated financial statements of Lheidli T'enneh Band, which comprise the consolidated statement of financial position as at March 31, 2020, the consolidated statements of operations, changes in net financial assets, and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Lheidli T'enneh Band as at March 31, 2020 and the consolidated results of its operations, changes in its consolidated net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis of Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Lheidli T'enneh Band in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Lheidli T'enneh Band's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Lheidli T'enneh Band's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

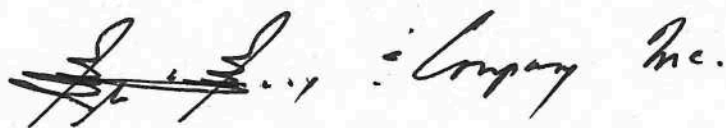

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lheidli T'enneh Band's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Lheidli T'enneh Band's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Lheidli T'enneh Band to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Band to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2020**

---

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

---

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

Reporting Entity and Principles of Financial Reporting

The Lheidli T'enneh Band reporting entity includes the Lheidli T'enneh Band government and all related entities which are either owned or controlled by the Lheidli T'enneh Band.

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprises or government business partnerships, which are included in these consolidated financial statements on a modified equity basis. Inter-entity balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Lheidli T'enneh Band's investments in the government business enterprises or government business partnerships and their share of the entities' net income and other changes in equity are recorded. No adjustments are made for accounting policies of the entities that are different from those of Lheidli T'enneh Band.

The consolidated financial statements include the following controlled entities:

- Lheidli T'enneh Band CMHC Social Housing Program
- Lheidli T'enneh First Nation Negotiation Support Agreement

Government business enterprises, which are wholly-owned by Lheidli T'enneh Band and which are not dependent on the Band for their continuing operations, included in the consolidated financial statements using the modified equity method are as follows:

- Lheit Lit'en Development Corporation
- Tano T'enneh General Partner Corporation

Government business partnerships, in which Lheidli T'enneh Band holds a limited partnership interest and which are not dependent on the Band for their continuing operations, included in the consolidated financial statements using the modified equity method are as follows:

- Tano T'enneh Limited Partnership (99.99% interest)
- FN (PTP) Group Limited Partnership (0.06% interest)

Cash

Cash includes cash on hand, cash on deposit net of cheques issued and outstanding at the reporting date, and short-term deposits with maturity dates of less than 90 days.

Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Transfers of tangible capital assets from related parties are recorded at carrying value.

Tangible capital assets are amortized using the straight-line method over the estimated useful life of the asset as follows:

Automotive equipment	5 years
Boats and fisheries equipment	10 years
Buildings	30 years
Computer equipment	3 years
Fuel tanks	20 years
Furniture and office equipment	8 years
Heavy duty equipment	10 years
Housing	30 years
Infrastructure	10-50 years
Land improvements	50 years
Signage	25 years
Website	10 years

In the year of acquisition, 50% of the annual amortization is expensed. Assets under construction are not amortized until the asset is available to be put into service.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. Net write-downs are accounted for in the consolidated statement of operations when they occur.

Social Housing assets acquired under CMHC sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt.

---

Tangible Capital Assets, continued

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Revenue and Expenditure

Revenue and expenditure are recorded using the accrual basis of accounting. Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. Gains are recognized when realized. Items not practically measurable until cash is received are accounted for at that time.

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability and recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Funding Recoveries and Reimbursements

Funding received from federal government sources in the form of conditional transfer payments are subject to recovery, by the Crown, of unexpended balances or unallowable expenses. The Crown may also reimburse over expenditures upon determining adherence to the terms and conditions of payment for a specified purpose. Recoveries and reimbursements are accounted for when they are paid or payable or received or receivable.

Measurement Uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the reporting period. Significant areas requiring the use of management estimates relate to the impairment of assets, rates for amortization, collectability of accounts receivable, and valuation of inventory. Actual results could differ from these estimates.

**2. CASH**

---

Lheidli T'enneh Band has a demand revolving credit facility agreement with the Royal Bank of Canada for \$400,000 bearing interest at prime plus 1.5% per annum. This facility revolves in increments of \$25,000 and is secured by a general security agreement with a fixed charge over tangible capital assets. At March 31, 2020 the full \$400,000 was available.

Lheidli T'enneh Band has a revolving credit facility agreement with the Royal Bank of Canada for \$5,000,000 bearing interest at prime. This facility revolves by way of a series of multi-draws for infrastructure development and is secured by a general security agreement with a fixed charge over tangible capital assets. At March 31, 2020 the full \$5,000,000 was available.

**8. OTTAWA TRUST FUNDS, continued**

The Ottawa Trust Accounts arise from monies from capital or revenue sources outlined in Section 62 of the "Indian Act". These funds are held in trust in the consolidated revenue fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the "Indian Act".

**14. CONTINGENT LIABILITIES**

Lheidli T'enneh Band has entered into contribution agreements with various government agencies. Funding received under these contribution agreements is subject to repayment if the Band fails to comply with the terms and conditions of the agreements.

The Band is contingently liable for a band member mortgage secured by a Government of Canada Ministerial Guarantee. As at March 31, 2020 the maximum liability is \$23,320.

**LHEIDLI T'ENNEH BAND**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2020**

**14. CONTINGENT LIABILITIES, continued**

The Band may have future silviculture commitments on government business enterprises owned forest licenses if future costs exceed current estimates. The amount of the liability, if any, is not determinable at this time.

In addition, in the normal course of its operations, the Band may become involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued, and an expense recorded in the financial statements.

**17. RISK MANAGEMENT**

---

The Band has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The risks that arise from transacting financial instruments include the following:

Credit Risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Band has a history of dealing with its funding agencies and customer base and does not believe it is exposed to an unusual level of credit risk with respect to its accounts receivable.

The Band maintains its cash and deposits with a federally regulated Canadian financial institution and a Credit Union, and thus has not experienced any change in risk exposure.

Interest Rate Risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Band's long-term debt is at fixed rates of interest therefore, a change in market interest rates has no impact to cash flows required to service this debt. The Band maintains an operating line of credit subject to floating rates of interest, a change in the variable rate can impact cash flow to service the debt when such debt is outstanding. There has been no change to the risk exposure from 2019 and there is expected to be no substantive change in the next fiscal period.

**18. SEGMENT DISCLOSURE**

---

Lheidli T'enneh Band provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function and department. For each segment separately reported, the segment revenue and expenditure represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounting Policies in Note 1. The segments and services provided are as follows:

Economic Development - manages the development of economic opportunities from the land and natural resources for the Band and its entities;

Education - provides elementary and secondary education instructional services and provides financial support to post-secondary students;

Employment and Training - provides training and work opportunities for Band members to improve their job skills and participate effectively in the labour market;

Government Business Entities - economic development for the benefit of Band members;

Health Services - provides a variety of health care programs, services and support to Band members;

Housing - provides housing and services to Band members;

Public Works Operations and Maintenance - manages community and facilities operations and maintenance including capital projects, municipal services, water and waste water operations, roads, fire protection, and maintenance of community buildings;

Social and Community Services - provides programs and services for the social benefit and welfare of Band members;

Treaty Claims and Negotiations - manages the land claim and negotiation process with Canada and the Province of British Columbia;

Ottawa Trust Funds - provides programs and services for the social, economic and capital needs of Band members;

Tangible Capital Assets - provides for capital infrastructure development for Band members.

**19. BUDGETED FIGURES**

---

Budgets were not prepared for all segments and all departments in 2020. As such, the budget figures in the Consolidated Statement of Operations are not presented for the same scope of activities as the actual results.

The disclosed budget information has been approved by Chief and Council of Lheidli T'enneh Band. The original budget was approved at the Chief and Council meeting held on March 29, 2019.

**20. SUBSEQUENT EVENT**

---

Beginning in December 2019 a global pandemic, Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2), the virus causing COVID-19, was identified in China and reached Canada in January 2020. COVID-19 has had a significant impact on the economy through the restrictions put in place by the Canadian, provincial, and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is uncertain as to the impact this outbreak will have on the Band as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, the duration of the outbreak, including duration of travel restrictions, business closures or disruptions and isolation/quarantine measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
