LTFN SUPPORTS DRUM CIRCLE IN LTMP ON NIPD

Lheidli T'enneh First Nation Chief Dolleen Logan today announced support for the Drum Circle event to be held in Lheidli T'enneh Memorial Park on National Indigenous Peoples Day on Monday, June 21. The event begins at 11:00 a.m. with an Opening Prayer and Welcome Remarks by Chief Logan and others.

The event is being organized by Wesley Mitchell a member of the UHNBC Drum Group and a local indigenous advocate. Mitchell says that everyone is invited to attend the Drum Circle which will run until 3:00 p.m. He says the idea for the event was developed when he heard that LTFN had cancelled their traditional NPID Celebration because of ongoing COVID-19 restrictions.

Chief Logan says that LTFN will be hosting a National Indigenous Peoples Day celebration in LTMP on June 21, 2022. She also encourages those attending to continue to practice COVID-19 safety protocols.
