About Tracy...

Hi my name is Tracy Morin and I am a Psychic Empath (soon to be Medium with more practice) and Healer who also Clears Energy from blocks and energetic debris that prevents the flow in your energetic field distantly. I have been doing this since 2019 and have had my gifts evolve a lot in this time. I have taken courses for beginner Yoga Instructor and Reiki Master and I've also had healing done for myself through Akashic Healing along with basic gift training. I am able to feel and see spirits here around us sometimes and I also can feel guides while doing the distance energy clearing and can tap into any messages they may have for you. After the energy clearing/healing I then give you channeled messages as well for your purpose and healing journey.
