ADMINISTRATION INFORMATION BULLETIN

ROAD WORK ON THE BEAVER-SHELLEY ROAD

OCTOBER 12-21, 2021

LTFN Administration wishes to advise members that Canfor is undertaking road work on the **Beaver-Shelley Road between Tuesday, October 12 and Thursday, October 21.**

This will impact members using the Beaver-Shelley Road to travel between the City and the Southside Subdivision.

Starting Tuesday, October 12 members should avoid this route as there will be long delays as crews upgrade the road surface near the bridge over the Fraser River and conduct hole patching near Shelley and the Southside Subdivision.

Weather depending, crews will try to complete full lift paving of a 1.2-kilometer section near Shelley and Southside Oct 18-21 and pave the aprons on either side of the bridge. Traffic during this period will be limited to alternating single-lane traffic.

Again, members are advised to avoid this area during the period between Oct 12-21.

Joe Gosnell – Executive Director
