

WANT TO LEARN HOW TO USE THESE TOOLS?

BLADERUNNERS RAISING ROOFS

A CONSTRUCTION TRAINING PROGRAM FOR YOUTH

GAIN KNOWLEDGE & EXPERIENCE IN:

- Flooring
- Siding
- Finishing
- Glazing
- Roofing
- Electrical
- Insulation
- And MORE!

INDUSTRY STANDARD CERTIFICATES INCLUDED!

This FREE program has been designed to assist youth (ages 16-30) in developing the skills needed to pursue employment or further education in construction trades.

Over 17 weeks participants alternate between hands-on construction projects, team building activities, and classroom training which includes industry standard certificates such as WHMIS, First Aid, SiteReadyBC, and Fall Arrest. Build projects include a shed and a bunkhouse which will be donated to the Caledonia Ski Club and local Air Cadets.

Don't have tools? No problem! All equipment is provided during training and when you successfully finish the program you get to keep them!

- These include:
- High Visibility Vest
 - Steel-Toed Boots
 - Work Gloves
 - Framing Hammer
 - Hard Hat
 - Toolbelt
 - Speed Square
 - Tape Measure
 - Chalk Line
 - Level
 - Dust Mask
 - and MORE!
