## **MESSAGE TO MEMBERS**

### ***UPDATE - ANNUAL GENERAL MEETING (AGM)***

***JAN 21, 2023***

Chief, Council and Administration wish to inform members that no general distribution of cheques will take place during the Annual General Meeting (AGM) tomorrow.

It has come to our attention that there is information circulating on social media that members will be receiving cheques tomorrow in the amount of \$1500. This is not true.

Out-of-town members travelling to attend the AGM will be reimbursed for travel expenses as we did for the Annual General Assembly (AGA) last August.
