

Merry Christmas and Happy New Year

On behalf of Chief and Council, we want to wish all members a very Merry Christmas and Happy New Year! We know that 2025 will be a tremendous year for our Nation.

As a Nation, we have worked hard this past year and our shared successes highlight the deep commitment our members have shown in being engaged and involved.

From the Annual General Meeting to the Membership General Meeting and on-going engagements for the Custom Election Code, you have shown up for one another.

Our Nation is better when we work together towards common goals, and we hope that you can enjoy the holidays with your family, loved one's and fellow members.

With deep respect and appreciation for a joyous season,

Chief and Council
Lheidli T'enneh First Nation

Please Note:

The Band offices will be closed from noon on December 20, 2024, re-opening at our regular time on Monday January 6, 2025.
